

LifeSphere[®] SAFETY

Revolutionize Safety with an AI-forward approach.

LifeSphere[®] Safety provides a unified, next-generation SaaS Safety platform that harnesses the latest innovations in Safety AI and automation to drive unmatched time and cost savings, scalable compliance, and standardized workflows across global PV operations.

A single global platform for end-to-end Safety transformation.

Unparalleled Efficiency

Drive significant time and cost savings by leveraging robust, production-ready automation and artificial intelligence to streamline repetitive safety tasks.

Unified Cloud Platform

Ensure standardized, always-up-to-date global PV operations with minimal IT overhead via an end-to-end SaaS platform founded on best practices.

Comprehensive Global Compliance

Utilize the most robust turnkey support for global and regional regulations, including regular cloud upgrades to ensure future-proof compliance.

Out-of-the-Box Value

Deliver value right away with Industry Standard Practices (ISPs) around core processes, developed and pre-validated with leading industry partners.

Next-Level Insights

Leverage powerful, easy-to-use tools for reporting and dashboarding, operational benchmarking, and intelligent signal analysis.

Single Source of Truth

Streamline content management through an easy-to-access, centralized, and auditable repository for all your safety content.

Discover the LifeSphere Safety advantage.

Powered by **NavaX™**

NavaX-Powered Innovation

Gain access to the latest automation and AI technologies, including advanced GenAI and Agentic AI capabilities, powered by NavaX.

Proven ROI

Leverage a system that delivers proven, real-world results across the PV lifecycle, including up to 65% efficiency gains in PV case intake.

Safety Leadership

Work with a trusted PV leader with over 40 years of experience, including over 12 million cases processed annually across over 220 organizations.

Business Transformation

Ensure business continuity via a trusted PV provider offering expert in-house support throughout your adoption journey and ongoing management.
